RE: CHRISTMAS GREETINGS AND APPRECIATION

As we approach the joyous season of Christmas and the dawn of a new year, I am very grateful for the remarkable achievements we have collectively accomplished at KAFU in the year 2023.

First, I extend my thanks to each one of you for your steadfast commitment and dedication in achieving the ISO 9001:2015 Certification for KAFU in October 2023. This accomplishment is a demonstration to your hard work, attention to detail, and collaborative spirit. Your combined efforts have not only elevated the standards of our institution but have also positioned KAFU as a beacon of quality and excellence in education.

Furthermore, I want to express my sincere appreciation for your tireless efforts in making the KAFU Second Graduation, held on December 8th, 2023, a resounding success.

As we gather with our loved ones to celebrate the holiday season, I want to take this opportunity to wish you and your families a Merry Christmas and a Happy New Year 2024 filled with warmth, joy, and moments of shared happiness. May this festive season bring you the peace and relaxation you truly deserve after a year of hard work and dedication!

Yours faithfully,

Prof. Ogoto M.J. Nandi
